Dear Supervisors:

**APPROVAL OF FISCAL YEAR 2005-06 TOBACCO TAX FORMULA  
HOSPITAL AGREEMENTS AND DELEGATED AUTHORITY FOR  
FUTURE TOBACCO TAX FORMULA HOSPITAL AGREEMENTS  
(All Districts) (3 Votes)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Director of Health Services, or his designee, to offer and execute Tobacco Tax Formula Hospital Agreements, substantially similar to Exhibit I, with 69 eligible non-County hospitals identified in Attachment B, retroactive to July 1, 2005 through June 30, 2006, to distribute Tobacco Tax Formula Hospital Funding Allocations in the total amount of \$567,865 for FY 2005-06.
2. Delegate authority to the Director of Health Services, or his designee, to offer and execute Tobacco Tax Formula Hospital Agreements, substantially similar to Exhibit I, with any eligible State-designated non-County hospital in Los Angeles County, effective upon expiration of the existing Agreements through June 30, 2009, with an aggregate maximum obligation not to exceed \$1.5 million per fiscal year, subject to continued funding by the State Department of Health Services (SDHS), subject to review and approval by County Counsel, the Chief Administrative Office and notification of the Board.

PURPOSE/JUSTIFICATION OF THE RECOMMENDED ACTIONS:

The purpose of the recommended actions is to: 1) approve Tobacco Tax Formula Hospital agreements with 69 eligible State-designated non-County hospitals that provide care to those who are unable to pay for health care for FY 2005-06; and 2) delegate authority to the Director of Health Services, or his designee, to offer and execute Tobacco Tax Formula Hospital Agreements for FYs 2006-07, 2007-08, and 2008-09, substantially similar to Exhibit I, with eligible State-designated non-County hospitals.

FISCAL IMPACT/FINANCING:

The total monetary commitment for the hospital Formula Fund agreements for FY 2005-06 is \$567,865. The funding was set aside in FY 2005-06 to pay this expense in FY 2006-07.

Costs for the program are 100% offset by SDHS California Healthcare for Indigents Program (CHIP) funds. Funds allocated to ineligible hospitals, per Welfare and Institutions Code 16946(d), shall be rolled over into the private sector hospitals-County Discretionary Fund.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

In October, 1989, AB 75 was enacted to implement the distribution of Proposition 99 Tobacco Tax revenues from the collection of increased taxes on tobacco products. AB 75 established CHIP, a program which appropriates and allocates Tobacco Tax funds for hospitals, physicians and other health services for indigent persons. These funds are allocated to counties based primarily on each county's share of the financial burden of providing health services to those who are unable to pay.

The CHIP program was extended several times by legislation. Since 1997, appropriations to the CHIP Program have been made through the SDHS budget process.

The statutes governing CHIP mandate two accounts for allocation to private sector hospitals and physicians: 1) the Hospital Services Account and 2) the Physician Services Account. Each of these accounts is further divided into non-discretionary funds and County discretionary funds. Utilization of the Physician Services Account and the non-discretionary funds from the Hospital Services Account were previously approved by the Board in the prior years.

On August 1, 2006, the Board approved the State Standard Agreement for CHIP Funding for FY 2005-06. Since implementation of CHIP, the Board has approved annual fiscal year agreements to distribute funds to eligible hospitals. The amount available to each eligible hospital is predetermined by SDHS, and the County serves only as the fiscal intermediary. To receive formula funds, hospitals must, at a minimum: 1) agree to provide the mandated data and reporting in a manner and format described by the County; 2) maintain at least the same level of emergency and trauma permits as existed on January 1, 1990; and 3) ensure that the funds are used only for uncompensated care services provided to eligible indigent patients.

The Agreement is retroactive effective July 1, 2005 through June 30, 2006. The FY 2005-06 Formula fund monetary commitment is \$567,865 for the 69 eligible hospitals listed in Attachment B, which is reflected in the respective hospital agreements. Because of failure to comply with State-mandated data reporting requirements in prior contract years and/or failure to maintain designation of emergency room and trauma care permits, not all of the 76 hospitals on the list supplied by the State in Exhibit B are eligible to receive funding. In addition, some hospitals may elect not to receive funds rather than comply with contractual requirements. Funds allocated to such hospitals will revert to the private sector hospitals-County Discretionary Fund which will be distributed in accordance with the discretionary fund formula.

County Counsel has approved Exhibit I as to use and form.

Attachments A and B provide additional information.

CONTRACTING PROCESS:

Non-County hospitals receiving Formula (non-discretionary funds) agreements are selected by SDHS and are required to meet specific data reporting requirements.

The Honorable Board of Supervisors  
May 1, 2007  
Page 3

IMPACT ON CURRENT SERVICES:

The recommended actions have no direct impact on County services. The allocation of CHIP funds to non-County hospitals help to ensure the delivery of timely and definitive emergency medical care to patients in Los Angeles County.

When approved, this Department requires three signed copies of the Board's action.

Respectfully submitted,

Bruce A. Chernof, M.D.  
Director and Chief Medical Officer
